Summary

I'm Nitesh Shah, a 20-year-old front-end developer currently pursuing a **Bachelor's in Computer Applications (BCA)** at Guru Nanak Khalsa College, Yamuna Nagar. I enjoy crafting clean, interactive, and responsive user interfaces using **HTML, CSS, JavaScript, React, Framer Motion, Tailwind CSS, and Git & GitHub**. Besides coding, I'm also passionate about **video editing**, which helps me bring creativity and attention to detail into my design and development work.

Education

Pursuing Bachelor of Computer Applications (BCA)

Guru Nanak Khalsa College, Yamuna Nagar

Joined July 2024 – Present (3rd Semester)

Skills

HTML & CSS – Proficient

JavaScript – Intermediate

Projects

Personal Portfolio

<https://portfolio-ten-jade-21.vercel.app/>

Developed my first React portfolio using React.js, Tailwind CSS, Framer Motion for smooth animations, React Icons, and UI components from Uiverse.

Info Nation

<https://info-nation-eight.vercel.app/posts>

A React.js project built to practice API integration and client-side routing using react-router-dom, focusing on displaying dynamic articles.

Pokémon Website

<https://pokemon-five-inky.vercel.app/>

A responsive application designed to learn and work with complex APIs, built entirely with React and Tailwind CSS.
