Professional Summary

I'm **Nitesh Shah**, a passionate **Front-End Developer** currently pursuing a **Bachelor of Computer Applications (BCA)** at Guru Nanak Khalsa College, Yamunanagar. I specialize in building **responsive, user-friendly web applications** using **HTML, CSS, JavaScript (ES6+), React.js, Tailwind CSS, and Framer Motion**. I also use **Git & GitHub** for version control and collaboration.

Currently in my **2nd year (3rd semester)**, I've built multiple projects including a React-based portfolio, an online code editor, and an API-powered web app. My focus is on creating **clean, accessible, and high-performance user interfaces** while continuously improving my problem-solving and teamwork skills.

Technical Skills

HTML5 & CSS3: Advanced

JavaScript (ES6+): Intermediate

React.js: Intermediate

Tailwind CSS: Intermediate
